"Peter" Tsirigotis Troy M. Lyons Brittany Bolen Matthew Z. Leopold Alexandra (Dapolito) Dunn Nancy B. Beck Richard P. "Rick" Keigwin David P. "Dave" Ross Dennis Lee Forsgren, Jr.</p> <p>With respect to (2), the U.S. Department of Agriculture (USDA) can provide EPA with a list of all official email accounts used by Deputy Secretary Censky. We ask that you obtain this list from USDA. We understand USDA emails accounts generally follow the format Firstname.Lastname, followed by: @osec.usda.gov, @oc.usda.gov, or @usda.gov. Deputy Secretary Censky's "primary" email may be Steve.Censky or Stephen.Censky, followed by any of the above. However, as I have previously informed EPA, Deputy Secretary Censky uses an "email alias" that USDA has redacted from its FOIA productions. That "alias" email appears to be three or four characters followed by @osec.usda.gov. Because EPA has declined to request the "alias" email from USDA, this request asks that EPA search for and review ALL electronic communications between EPA email servers and email accounts ending in @osec.usda.gov to determine Deputy Secretary Censky's "alias" email. With that information, EPA should be able to refine its searches to focus on Mr. Censky's "primary" and "alias" accounts.</p> <p>Time period of request: 10/1/17 to present.</p>
